

BENEFITS FOR FAMILY, BEYOND THE WORKPLACE

AFFORDABLE COVERAGE OPTIONS YOU CAN SHARE WITH
THE PEOPLE YOU CARE ABOUT

Individually purchased. Not employer-sponsored or payroll deducted.

MEET WOODROW

Campus Benefits helps individuals and families explore valuable coverage options. In addition to the benefits we support through employers, we connect people with options they can select and enroll in independently, outside of work.

Woodrow is our beloved office mascot and a reminder of the personal care behind everything we do. In his honor, we call this collection of family-focused coverage options **Woodrow's Picks**.

Woodrow's Picks make it easy to share coverage options with adult children, parents, siblings, extended family members, and others who may need benefits outside of work.
